### Description

Introducing a fantastic opportunity to own a striking 2019 Ford, a versatile vehicle that perfectly balances practicality and performance. With a powerful 2.0L diesel engine, this model is designed for both comfort and efficiency, making it an ideal choice for those who require reliability without compromising on style. Finished in a sleek black, it commands attention on the road while providing the functionality you need for both work and personal use.

With only 48,338 miles on the clock, this vehicle is in excellent condition and has been carefully maintained to ensure it serves you well for years to come. The robust build and well-thought-out design of this Ford make it a dependable partner for a range of tasks, whether you're navigating busy city streets or heading out for a countryside adventure. Plus, with an MOT valid until February 2027, you can drive away with complete peace of mind, knowing that you won't need to worry about immediate maintenance.

This Ford is not just about looks; it also boasts impressive fuel efficiency, with CO2 emissions of just 123 g/km. This means you can enjoy the benefits of a powerful diesel engine while being environmentally conscious and keeping your running costs in check. It's a vehicle that combines performance with practicality, making it a smart investment for anyone looking to upgrade their driving experience.
